## FOLDING TABLES

## ENVIRO TABLES

## ULTRALIGHT STAGING

# CONTOUR FOLDING TABLES

The Contour range is the number one choice - For multi-functional use

The Contour range of folding tables is the lightest and most popular style of folding tables to be found. Constructed from aluminium with a wipe-clean laminated top, the tables fold flat for storage and can easily be carried. They are the ideal choice for community centres, dining halls and canteens.

Choose from six table heights

# ALI TOPPED TABLE

Back by popular demand - All Aluminium folding table

**A6001 Big Foot**, prevents tables & benches from sinking into soft ground

- Heat resistant
- Can be left outside

This multi-purpose all aluminium table can be used for numerous tasks in the home, garden and for outdoor catering. It is a favourite with Scouts and Guides as it can be used for summer camps. Hot utensils can be safely placed on the table top without causing damage. Folding flat, the table will fit into any vehicle for transportation. As the table is all aluminium, it can be left outside without deterioration.

Choose from two heights

---------	------------------------	---------	----------	--	--	--	--	--	--

## TUB TABLE LAMINATE COLOUR RANGE

These 'Tub' contour tables are supplied with clear plastic tubs, including lids. Place small play items into the tubs such as Lego, pens, crayons, plasticine, cars and Knex and drop them into the table top. The table can then be folded down and stored in the minimum of space.

# PLAY FURNITURE

*For stimulating role playing - Simple slot system makes assembly easy*

These products can be quickly and simply assembled and disassembled making them ideal for nurseries and playgroups who do not have purpose built premises. The furniture is made of coloured MDF with simple fixings disguised as cannons, wheels etc.

**Play Galleon** - This play galleon, has seating for four children and useful shelves both fore and aft to place toys, drinks etc. The removable sail is supplied with a compass logo to educate children about the points of the compass.

• Delivered flat-packed for simple assembly

**Play Bus** - This fun play bus, has two sets of seats and is manufactured from coloured MDF. The simple understated design can be easily assembled and disassembled by one person.

**Play Train** - The colourful train has room for passengers and an engine driver. It is solid enough for children to climb safely onto the engine and most fixings are disguised as wheels.

**Storage Bag** - A wheeled storage bag can be supplied to enable you to store all the components of your play furniture safely in one place.

# ENVIRO DINING TABLES

A great choice of table top shapes and sizes for sociable dining

Enviro indoor tables and benches are revolutionary in their design and construction. Using an environmentally friendly method that enables the aluminium frames to be pressed together, the need for welding is totally eliminated. The end result is a table or bench frame that is strong, robust and stable, yet incredibly light and durable.

# ENVIRO DINING BENCHES

Contemporary seating to match Enviro tables

Enviro benches are designed to match the rectangular Enviro tables and are manufactured to the same exacting standards. The bench heights correspond with the tables heights meeting BS EN1729: Parts 1 & 2 and the bench lengths ensure benches can be stored under the tables when not in use.

- **Extremely strong and stable**
- **Versatile shapes for contemporary dining**
- **A great choice of colour combinations**

**EN/AF35 Bench**

1600mm x 330mm in Japanese Beech with Light Grey edge - fits neatly under the table

- **40% lighter than standard fixed leg tables**
- **Versatile shapes for contemporary dining**

# ENVIRO CLASSROOM TABLES

*Revolutionary lightweight tables for the classroom*

*- A great choice of table top shapes and sizes*

For a truly stylish classroom, look no further than Enviro. The smart sliver anodised table legs and frame and attractive wipe-clean laminate tops with contrasting ABS edge will fit perfectly in any classroom environment.

Available in a choice of sizes, shapes and heights to suit all age groups from reception classes through to further education. The lightweight aluminium table frame and honeycomb core to the table top ensures the table is lighter in weight than most classroom tables, while still retaining its strength and durability.

# ENVIRO OUTDOOR TABLES

*Maintenance free - Recycled outdoor furniture*

Alfresco Dining

- 100% recyclable
- Will not deteriorate like wood

This fabulous new product is made from an amazing synthetic wood made from recycled materials. The table top material looks like wood, feels like wood but will not deteriorate like wood. The anodised aluminium frame gives the tables and benches a smart appearance and like the indoor range, is constructed without the need for welding. The tables and benches are 100% recyclable - no wonder we call it the Enviro range.

**EN/AE36/OD Enviro table**

# ULTRALIGHT STAGING

*With an all aluminium frame - Lightweight yet incredibly strong modular staging*

Ultralight is an incredible product, folding to just 2% of it's open size. It couldn't be simpler, an expanding aluminium base and a lightweight staging platform that are quickly and easily assembled by one person. The unique aluminium tubed base opens and closes in seconds. Joining the stack deck to the stage riser is quick and simple, requiring minimum time and resources to assemble and disassemble.

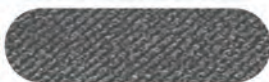

## DECK COVERING CHOICE OF CARPET OR VINYL

Sapphire Blue carpet

Moss Green carpet

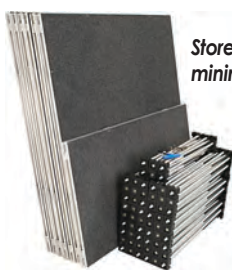

Anthracite Grey carpet

Chianti Red carpet

Black Vinyl

Store decks and risers required minimum storage space

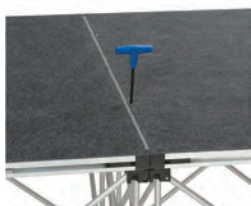

### STEP 1

Select your riser height - available 150mm, 200mm, 300mm, 400mm and 600mm high

### STEP 2

Holding the pillars - extend the riser until fully open

### STEP 5

Using the Allen key provided - turn the locking screw located in the centre of the deck to lock sections securely together

### STEP 4

Align the completed stage sections - secure the platform to the riser

### STEP 3

Place the platform (desk) on top of the riser - ensuring that the corner screws on the riser are located into the holes on the underside of the deck

# ULTRALIGHT STAGE DECKS & RISERS

**Passed 180kg point load test** - Tested to 100kg per square metre for even load distributions

## 2m x 1m Ultralight Stage Deck & Riser

The largest and most popular stage deck available, a 2m x 1m can be used to create a good size stage with minimum effort.

Product code	Product description	Weight kg
UL/AB60	Stage deck - 2m x 1m	12.75
UL/AB65	Stage riser - 2m x 1m	4 - 7

## 2m x 0.5m Ultralight Stage Deck & Riser

A useful size to create slim catwalks or wide steps and tiers.

Product code	Product description	Weight kg
UL/AC60	Stage deck - 2m x 0.52m	9.50
UL/AC65	Stage riser - 2m x 0.52m	2 - 3

## 1m x 1m Ultralight Stage Deck & Riser

Compact deck that can easily be transported in a family car. Using a number of 1m x 1m decks can create many stage sizes.

Product code	Product description	Weight kg
UL/BB60	Stage deck - 1m x 1m	7.5
UL/BB65	Stage riser - 1m x 1m	2 - 4

## 1m Triangle Ultralight Stage Deck & Riser

Give your stage a great look with triangular edges.

Product code	Product description	Weight kg
UL/AC60	Stage deck - 2m x 0.52m	9.50
UL/AC65	Stage riser - 2m x 0.52m	2 - 3

## 1m x 0.52m Ultralight Stage Deck & Riser

Recommended to create steps.

Product code	Product description	Weight kg
UL/BC60	Stage deck - 1m x 0.52m	4.5
UL/BC65	Stage riser - 1m x 0.52m	1.5 - 3

## 1m Quadrant Ultralight Stage Deck & Riser

Create a rounded corner, a semi-circle or with four pieces a complete circle.

Product code	Product description	Weight kg
UL/BH60	Stage deck 1m Quadrant	5
UL/BH65	Stage riser	1.3 - 3

## 0.5m x 0.5m Ultralight Stage Deck & Riser

A small size deck ideal when you need a step in limited space.

Product code	Product description	Weight kg
UL/CC60	Stage deck - 0.52m x 0.52m	9.50
UL/CC65	Stage riser - 0.52m x 0.52m	2 - 3

Choose from five riser heights
